

## ANNUAL REPORT 2003-2004

### CORRECTION TO THE AGENCY'S 2003-2004 ANNUAL REPORT

On page 134 of the Agency's Annual Report 2003-2004, it was incorrectly stated that information on consultants required for annual reporting purposes was available on the Customs Internet site at [www.customs.gov.au](http://www.customs.gov.au). For the Annual Report 2003-2004 the consultant's information required for annual reporting purposes was made available at Appendix C of the report, not on the Customs website.

On page 200 of the Agency's Annual Report 2003-2004, the table of consultancy contracts for the period was incorrect. Please find below a table listing those contracts which were omitted from the final Annual Report for 2003 – 2004.
