Immigration Detention and Community Statistics Summary

31 March 2014

About this report

This report provides an overview of the number of people in immigration detention and Offshore Processing Centres as at midnight on the date of the report. The report is produced on a monthly basis.

Data is sourced from several departmental processing and recording systems. Data relating to the immigration detention population is dynamic and there can be delays in transmission of information from the department's immigration detention network operations. Variations in figures between this report and previous issues can occur. Due to these issues, data from the current financial year should always be considered provisional.
